BRENDA & GERY

Mary Loves Balls! Even Basket-Balls!

While fan violence at professional basketball games in the US has been escalating much to the concern of league officials and players, one porn star is doing her best to "make love, not war," and in doing so proving her love of balls, even XXX-tended to basket-balls. "I love basketball players, they are so, big, and tall and sweaty, and sexy, I just want to eat them alive!" exudes busty blonde adult starlet Mary Carey, who in the past few months has become a courtside staple at home-games for the Los Angeles Lakers, Miami Heat, and Minnesota Timberwolves—among others.

"I love them all, I want them all!" says the chesty hardcore harlot, and according to press reports, she has been getting at least some of them. Flying the country in-between X-shootings to attend the games on her own dime, Mary has never made a secret of her groupie-like tendencies, even pairing up with fellow on-screen fornicators such as Hannah Harper, Tawney Roberts, and Jessica Jaymes, to draw player attention during the games. And while the usually gossip-happy Mary won't name names, it appears their antics—yelling suggestive cheers, wearing scanty attire, and holding up adult-oriented placards—has been somewhat suck-cessful off-court as well.

"All I can say is that basketball players are not only tall in one respect, but just as tall in another!"

Rocco Sticking To No-Sex Pledge—So Far....

Legendary Euro-stud Rocco Siffredi is reportedly sticking to his recent retirement from on-screen fuckings, but was apparently pushed to the edge during a recent trip shooting sex scenes in Brazil. After starring in more than 300 hardcore movies in an 18-year international carnal career Rocco surprised everyone last year with the shock announcement he would stop performing sexually in his movies, but instead concentrate on directing his various X-series' such as "Rocco's Initiations," and "Rocco Meats..." On location in Rio De Janeiro the well-hung adult video vet was reportedly repeatedly tempted by the line-up of luscious Latina's that he had to watch other stud's fuck, but he never broke down.

13367

"He is famous, handsome, and a world-known super-stud, all the girls wanted to have sex with him," said a Brazilian casting agent who worked with Rocco for nearly two weeks. "He resisted them, but if he comes back to Brazil again, who knows—pussy is pussy!"

Plastic Fantasy Snaps

Adult novelty manufacturer Plastic Fantasy has ceased any further production of its formerly highly-popular series of "Adult Superstar" action figure dolls, citing a dwindling customer marketplace for the brand—well advertised since 2001. "The sales just started to fall off after a couple of years, like any product or fad, sometimes it has its own shelf-life, and there's nothing you can do

about it," says veteran porn director/producer, one of the company's founders. Using a specially-designed computer-drive laser-scanning system called "XXX Scan," Plastic Fantasy had made miniaturized figurines of dozens of XXX starlets including Jenna Jameson, Ginger Lynn, Jasmin St. Claire, Briana Banks, Houston, Kylie Ireland and many others directly from the performer's bodies during multi-hour three-dimensional laser-scanning sessions. The resulting action figures were then sold in stores and over the internet, and for a while sales were booming.

"We kept tinkering with the formula, the outfits, the materials,

"LOOKING FOR THREE GOOD COCKS!"—CATALINA

When anal sex maniac Catalina is looking for three properly-sized studs for her first-ever attempt at an on-screen "triple anal." The dark-haired 27-year-old perfectly proportioned beauty is already well-known for her butt-fucking feats, and has performed in more than 200 hardcore movies consisting of various X-rated scenes. But

while she has taken one, two, and even two, three, she would put her into a new class. "I can take three dicks, my ass is strong," Catalina cracks. So what is she looking for cock-wise to do the right?

"Not too big, not too small either, they have to go up right with my combination of legs."

XXX Action Figures Go Down...And Out!

but always kept their nude bodies anatomically correct, and they were getting better all the time," says Malibu.

At about a half-foot tall and sold with a display base for \$19.95 the figures were a great sell to both porn fans and collectors of X-rated oddities, with one version of the Jenna Jameson doll, dressed in a Santa Claus outfit, turning out to be one of the bestselling adult novelties

of 2002. Indeed all of the dolls produced were at various time sold out both at stores and online, spurring Plastic Fantasy to churn out even more models at double-speed. But that was then, and this is now, and after more than a year of slumping market demand, Malibu and the rest of Plastic Fantasy had no choice but to pull the plug after selling thousands of the mini-porn stars.

"It's sad, yes, theoretically it could have gone on forever, making figures of every new porn star in the world," says Malibu, "But hey, everyone had fun, made a little money, and we all have the action figures themselves as permanent mementos, so we just move on." □

No Contracts For Ava Vincent!

Sexy blonde Ava Vincent would have been the perfect exclusive XXX contract performer when she first got into porn in 1998 under the name Jewel Valmont—*young, horny, sexy, and glamorous-looking*—and nearly signed a multi-year deal with a major X company that aggressively courted her. But as fate had it, she didn't, and since then, and nearly 300 porn tapes later, Ava has reportedly turned down more than a dozen similar offers from major North American porn producers. Any regrets?

"None at all!" says Ava, a certified anal-sex junkie who loves to top off each butt-fucking by drinking a large facial load, "Contracts are cool for some people, but I prefer my freedom!"

While some porn stars like long-term contracts because it limits the number of on-screen fuckings they have to do, and gives them time to strip-dance at nudie clubs, Ava says no way.

"I like to fuck a lot, and I would rather suck cock than strip, so what would I ever sign all that sex away!"

Ron Jeremy Does London—And Has His Ups, And Downs!

It was the best and worst of all worlds for legendary adult film woodsman Ron Jeremy, who just spent nearly a month in London, England, promoting his new cellular phone entertainment service, "RJ Mobile" (www.rjmobile.com). While racing around London appearing on radio talk shows, being interviewed by newspapers, and hosting parties, Ron also found time to star in his first-ever hardcore porn movie in the United Kingdom—a three-way sex scene for a British-based website—www.ukstreetsluts.com—with Chantele Stevens and Jim Slip. Although he has done more than 1,800 porn titles worldwide, it was, amazingly the first time the now 52-year-old Jeremy performed in England. "But it was well worth the wait, that British girl was hot," says Jeremy. But from a sexual high, to a real low, went Jeremy when he shortly thereafter entered "The Farm," the famous U.K. reality TV series keeping him and a cast of fellow freaky-types holed up on a farm 24/7 for days on end. Ron finally got the boot from the show after nearly two weeks, but upon his "release" said he had only one regret. "That was the longest I have gone without sex my entire adult life—it's a good thing they kicked me off, I was about to go crazy!"

Belladonna Loves Pussy!

Married-with-child porn hottie Belladonna is perfectly happy as a mom and a porn director, working exclusively for Los Angeles-based Evil Angel Video, but after directing and starring in her recent XXX hardcore hit "Belladonna's Fucking Girls Again," she's re-fallen in love with pussy again and says she wants to lick it every day. Mostly known for her incredible ass, and her famous contortionist anal sex action demonstrated repeatedly in several hundred porn roles, Belladonna reportedly went pussy-crazy after banging three chicks in the flick—Jackie Moore, Kimberly Kane, and Melissa Lauren.

"The more pussy I eat, the more I want!" she laughs. Belladonna will now reportedly re-adjust her personal-professional and on-screen and off schedules to make room for lots more rug-munching in upcoming productions.

SEX SECRET REVEALED!

HOLY SHIT! 3 Times in One Night?!

“His cock was so completely HARD & BIG. And his staying power was INSANE.”

SECRET “Sex Serum” Exposed!

Are you the type of guy that women brag about - THAT "One Guy", the one that "rocked her world"? Now be honest, is that guy you? If not, I may have the secret answer that's been apparently keeping the "industry" guys at the top of their game for years. Check out this letter I received (from a chick none the less).

To the Editor: I don't usually write into magazines (especially mags like this), but after uncovering this amazing secret, I just had to blow the whistle on this stud. I know every girl says this, but I've only been with a handful (ok, maybe two handfuls) of guys sexually. And to be honest, a one night stand is a pretty rare occasion for me. But after partying with this guy for a couple of hours and grinding up against him I just had to get a glimpse at what this guy was packing.

Well, after heading back to his place, let's just say it got a little crazy. He made all the right moves and the sex that followed may have actually destroyed it for every other man! His cock was so completely hard and BIG. And his staying power was insane. Holy shit! I must have had 5 or 6 orgasms after being ravaged 3 times in one night. Now I've been with a couple of guys that performed well in the past. I know one of them was using Viagra, and the other a topical called Maxoderm (which also works pretty well). But hands down this guy was the "champ", I mean he performed sexually like a pro! So between the size of this guy's unit and the fact that he pounded me for nearly 4 hours, I just had to ask what this super stud was using to rock my world.

Well, after bribing him with some return "favors" he finally fessed up. Surprisingly enough, it was also a topical (like Maxoderm, but better). He referred to it as his "secret sexual serum", better known as **PROMAGNUS**. And, get this, my super stud also owned up to being an adult film star!! He claims that he'd never be able to perform at his job without the help of **PROMAGNUS** and that it maximized size while helping him to "recover" faster and do it more often (I'll say!). He even said that ALL male stars he knew in the industry use it - "What do you think, we have the super human ability to fuck like that naturally?"

So next time you think that these "super" studs are plugging away on screen with little or no help THINK AGAIN! They obviously need help like everyone else. So now the secret is out of the bag! I recommend **PROMAGNUS** to any man looking to perform like a porn star. I know that I'll never let any man that I'm with have sex without it again.

Alexa - from Vegas
